

A-Engrossed Senate Bill 420

Ordered by the Senate March 26
Including Senate Amendments dated March 26

Sponsored by Senators DINGFELDER, STEINER HAYWARD, KNOPP, Representative TOMEI; Senator ROSENBAUM (Pre-session filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

If mammogram shows dense breast tissue, requires *[person who]* **facility that** performed mammogram to notify patient of results and possible increased risk of breast cancer and to advise patient to contact patient's health care provider regarding appropriateness of supplemental testing.

[Requires health benefit plan to reimburse costs of breast ultrasound required because mammogram shows dense breast tissue.]

[Prohibits cost-sharing for mammograms and breast ultrasounds meeting specified criteria.]

[Declares emergency, effective on passage.]

A BILL FOR AN ACT

1
2 Relating to women's health.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1. (1) A facility, as defined in 42 U.S.C. 263b, must provide written notice, in**
5 **the form prescribed by the Oregon Health Authority under subsection (2) of this section, to**
6 **a patient on whom the facility has performed a mammogram if the mammogram shows the**
7 **patient has dense breast tissue.**

8 **(2) The authority shall prescribe by rule the form and content of the notice provided**
9 **under subsection (1) of this section. The notice must include but is not limited to all of the**
10 **following:**

11 **(a) Information about breast density, based on the Breast Imaging Reporting and Data**
12 **System established by the American College of Radiology;**

13 **(b) An explanation that dense breast tissue can make it harder to find cancer on a**
14 **mammogram and that dense breast tissue may also be associated with an increased risk of**
15 **breast cancer;**

16 **(c) That the patient may benefit from supplementary screening or diagnostic testing in-**
17 **cluding a breast ultrasound; and**

18 **(d) That the patient should contact the patient's health care provider to find out whether**
19 **the health care provider recommends additional testing.**

20 **(3) The authority shall adopt by rule a definition of "dense breast tissue" and shall amend**
21 **the definition whenever necessary to ensure that the definition is consistent with current**
22 **medical evidence.**

23

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.
