38 fairground business operations, the operation of fairground properties and facilities or the  
39 repair, maintenance or insurance of fairground properties and facilities, if the council and  
40 the department agree that the existing and projected financial resources of the council are  
41 inadequate to conduct the Oregon State Fair, to carry out fairground business operations,  
42 to operate fairground properties and facilities, to make necessary repairs to fairground  
43 properties and facilities or to adequately maintain and insure fairground properties and fa-  
44 cilities. Any appropriation to the department shall be expended and accounted for by the

16 available financial resources of the council without first obtaining permission for the lien  
17 from the Oregon Department of Administrative Services.

18 (4) The council may sue and be sued in its own name.

19 (5) Subject to subsection (3) of this section and section 7 (1) of this 2013 Act, the council
