

HOUSE AMENDMENTS TO A-ENGROSSED SENATE BILL 782

By COMMITTEE ON RULES

June 18

1 On page 1 of the printed A-engrossed bill, after line 3, insert:

2 “The Legislative Assembly finds that:

3 “(1) Apprenticeship is an important component of post-secondary education and workforce de-
4 velopment in Oregon.

5 “(2) The State of Oregon has a strong interest in encouraging apprenticeship on public con-
6 struction projects.

7 “(3) Many states, including Washington and California, have adopted apprenticeship utilization
8 standards for public construction projects.

9 “(4) Oregon may have an interest in initiating apprenticeship utilization standards for state
10 agency construction projects and, eventually, for all construction projects that use significant state
11 or other public funds.

12 “(5) Questions remain concerning:

13 “(a) The economic impact of minimum apprenticeship utilization standards on state agencies and
14 other public entities and how best to minimize potential negative economic impacts;

15 “(b) The use of incentives and disincentives to encourage compliance with apprenticeship utili-
16 zation standards;

17 “(c) Oversight of contractor compliance with apprenticeship utilization standards;

18 “(d) Whether apprenticeship utilization standards should apply only to general contractors or
19 also to subcontractors and individual crafts;

20 “(e) How best to create incentives to develop a more diverse workforce; and

21 “(f) The appropriateness of a single statewide apprenticeship utilization standard instead of a
22 range of standards for each location or type of construction project.

23 “(6) The best way to answer the questions that remain is to convene a task force under the di-
24 rection of the Legislative Assembly, with a goal of recommending legislation for the 2014 or 2015
25 regular session.”.
