

Enrolled
Senate Concurrent Resolution 4

Sponsored by Senator JOHNSON (Pre-session filed.)

Whereas the Governor has issued Executive Order 11-12 dated December 16, 2011, establishing the Oregon Solutions Network to coordinate resources and programs for the purpose of taking a collaborative approach to addressing economic and community development priorities at the regional level throughout this state; and

Whereas the Governor has established Regional Advisory Committees and Regional Solutions Centers to identify regional issues and priorities as part of the Oregon Solutions Network; and

Whereas the Governor has appointed Regional Coordinators to implement the objectives of the Oregon Solutions Network through Regional Advisory Committees; and

Whereas the Governor has directed state agency directors, through Executive Order 11-12, to participate as project team members when requested to do so by the Governor's Regional Coordinators when projects are developed to address regional priorities identified by the Regional Advisory Committees; and

Whereas it benefits Oregon to ensure that state agencies utilize resources and programs in the Oregon Solutions Network through collaborative and integrated action to address state, regional and local challenges and opportunities; now, therefore,

Be It Resolved by the Legislative Assembly of the State of Oregon:

(1) The Governor's Regional Coordinators shall inform state agencies when regional projects or programs have been implemented to address regional priorities identified by Regional Advisory Committees.

(2) The Governor's Regional Coordinators shall notify and invite state agencies to participate as members of regional project teams or programs once the projects or programs have been implemented by the Regional Advisory Committees.

(3) State agencies shall participate as project team or program members when notified and invited to do so by the Governor's Regional Coordinators.

(4) State agencies shall prioritize their time and resources to provide technical assistance and to allocate financial resources and investments in accordance with the regional priorities established in each region through the Oregon Solutions Network.
