

**PROPOSED AMENDMENTS TO  
HOUSE BILL 3169**

1 On page 2 of the printed bill, line 34, delete “existing green energy tech-  
2 nology”.

3 In line 35, delete “existing green energy technology.” and insert “green  
4 energy technology that:

5 “(i) Employs solar energy and that existed on the date that the original  
6 building permit for the public building was issued; or

7 “(ii) Employs geothermal energy and for which construction was com-  
8 pleted before January 1, 2013.

9 “(c) In making the determination required under paragraph (b)(A) of this  
10 subsection, a contracting agency shall:

11 “(A) Compare the costs of constructing green energy technology that  
12 employs solar energy at the site of the public building only with the corre-  
13 sponding costs of green energy technology that employs solar energy at a  
14 location away from the site of the public building; and

15 “(B) Compare the costs of green energy technology that employs  
16 geothermal energy at the site of the public building only with the corre-  
17 sponding costs of green energy technology that employs geothermal energy  
18 at a location away from the site of the public building.”.

19 On page 3, line 6, after “(2)(b)” insert “and (c)”.

20 On page 4, delete line 14 and insert “at times and in a manner the de-  
21 partment specifies by rule.”.
