11 “(e) ‘State permitting agency’ means the Department of Environ-
12 mental Quality, the Department of State Lands or the Department of
13 Transportation.

15 quest, the council may review a proposed economic opportunity project
16 of state significance under this section.

17 “(3) The council may not issue a project certificate after December

19 “(4) The council shall expedite the review of an economic opportu-

22 **“(7) The council has exclusive jurisdiction to approve permits under**

26 **the applicable standards and criteria, the council shall issue a project**
27 **certificate approving the siting and development of the project. In**
28 **addition to other conditions reasonably necessary to ensure that the**

4 **the project certificate. If the council determines that the project does**

10 **the project certification process described in this section.**

11 **“(8) A local permitting agency or a state permitting agency may**

25 **submit the changes to the acknowledged comprehensive plan and land**
26 **use regulations of the city and the county in the manner required by**
27 **ORS 197.610 to 197.625 and, for purposes of acknowledgement, limits**

22 **view, including the costs incurred by local permitting agencies and**
23 **state permitting agencies that make recommendations to the council**
24 **concerning whether the proposed siting complies with applicable**
25 **standards and criteria. If the fee charged by the council includes costs**
26 **incurred by a local permitting agency or a state permitting agency, the**
27 **council shall pay or reimburse the local permitting agency or the state**
28 **permitting agency in the manner provided by ORS 469.360. The council**
29 **may require the employer to pay all or a portion of the fee before in-**
30 **itiation of the expedited project review and may require progress pay-**

13 197.855 and 197.860. However, notwithstanding ORS 197.850 (9) or any
14 other provision of law, the court shall reverse or remand the decision
15 only if the court finds that:

16 “(a) The council’s determination that the proposed siting qualifies
17 as an economic opportunity project of state significance was clearly
18 in error;

19 “(b) There is a basis to vacate the decision as described in ORS
20 36.705 (1)(a) to (d) or a basis for modification or correction of an award
21 as described in ORS 36.710; or

22 “(c) The decision was unconstitutional.

23 **“SECTION 3. (1) The Legislative Assembly further finds that the**
24 **State of Oregon has a compelling interest in the long-term protection**
25 **of agricultural operations and natural resources that contribute to the**
26 **overall livability of a community and define the region for its resi-**
27 **dents. Therefore, to offset the loss of lands that would result from**
28 **permitting expedited industrial siting, the appropriate county shall**
29 **designate the land described in subsection (2) of this section as rural**
30 **reserve.**

1 **“(2) The land to be designated as rural reserve under subsection (1)**
2 **of this section is from Jackson School Road on the west to the**

10 **preservation of the public peace, health and safety, an emergency is**
11 **declared to exist, and this 2013 Act takes effect on its passage.”.**
