

**PROPOSED AMENDMENTS TO  
SENATE BILL 611**

1 On page 1 of the printed bill, line 2, delete “creating new provisions;” and  
2 delete “, 433.810”.

3 Deletes lines 5 through 28 and delete pages 2 and 3 and insert:

4 **“SECTION 1.** ORS 339.867 is amended to read:

5 “339.867. As used in ORS 339.869 and 339.870, ‘medication’ means  
6 [*noninjectable*] medication **that is not injected, except for premeasured**  
7 **doses of epinephrine that are injected.**

8 **“SECTION 2.** ORS 339.869 is amended to read:

9 “339.869. (1) The State Board of Education, in consultation with the  
10 Oregon Health Authority, the Oregon State Board of Nursing and the State  
11 Board of Pharmacy, shall adopt:

12 **“(a)** Rules for the administration of prescription and nonprescription  
13 medication to students by trained school personnel and for student self-  
14 medication. The rules shall include age appropriate guidelines and training  
15 requirements for school personnel.

16 **“(b)** Rules for the administration of premeasured doses of  
17 epinephrine by school personnel trained as provided by ORS 433.815 to  
18 any student or other individual on school premises who the personnel  
19 believe in good faith is experiencing a severe allergic reaction, re-  
20 gardless of whether the student or individual has a prescription for  
21 epinephrine.

22 **“(c)** Guidelines for the management of students with life-

1 **threatening food allergies, which must include:**

2 **“(A) Standards for the education and training of school personnel**  
3 **to manage students with life-threatening allergies.**

4 **“(B) Procedures for responding to life-threatening allergic re-**  
5 **actions.**

6 **“(C) A process for the development of individualized health care and**  
7 **allergy plans for every student with a known life-threatening allergy.**

8 **“(D) Protocols for preventing exposures to allergens.**

9 **“(2)(a) School district boards shall adopt policies and procedures that**  
10 **provide for:**

11 **“(A) The administration of prescription and nonprescription medication**  
12 **to students by trained school personnel [*and for*];**

13 **“(B) Student self-medication[.]; and**

14 **“(C) The administration of premeasured doses of epinephrine to**  
15 **students and other individuals.**

16 **“(b) [*Such*] Policies and procedures adopted under paragraph (a) of**  
17 **this subsection shall be consistent with the rules adopted by the State**  
18 **Board of Education under subsection (1) of this section. A school district**  
19 **board shall not require school personnel who have not received appropriate**  
20 **training to administer medication.**

21 **“SECTION 3. ORS 433.825 is amended to read:**

22 **“433.825. (1)(a) A person who has successfully completed educational**  
23 **training described in ORS 433.815 for severe allergic responses may receive**  
24 **from any health care professional with appropriate prescriptive privileges**  
25 **licensed under ORS chapter 677 or 678 in this state a prescription for pre-**  
26 **measured doses of epinephrine and the necessary paraphernalia for adminis-**  
27 **tration.**

28 **“(b) An entity that employs a person described in paragraph (a) of**  
29 **this subsection may acquire premeasured doses of epinephrine and the**  
30 **necessary paraphernalia for administration in accordance with para-**

1 **graph (c) of this subsection. A health care practitioner with appropri-**  
2 **ate prescriptive privileges licensed under ORS chapter 677 or 678 may**  
3 **write a prescription for premeasured doses of epinephrine and the**  
4 **necessary paraphernalia in the name of an entity that employs a per-**  
5 **son described in paragraph (a) of this subsection.**

6 “(c) [*The*] **A person described in paragraph (a) of this subsection** may  
7 possess and administer, in an emergency situation when a licensed health  
8 care professional is not immediately available, [*such*] prescribed epinephrine  
9 to any person suffering a severe allergic response.

10 “(2) A person who has successfully completed educational training in the  
11 administration of glucagon as described in ORS 433.815 for hypoglycemia  
12 may receive from the parent or guardian of a student doses of glucagon  
13 prescribed by a health care professional with appropriate prescriptive privi-  
14 leges licensed under ORS chapter 677 or 678 in this state, as well as the  
15 necessary paraphernalia for administration. The person may possess and ad-  
16 minister glucagon to the student for whom the glucagon is prescribed, if the  
17 student is suffering a severe hypoglycemic reaction in an emergency situ-  
18 ation when a licensed health care professional is not immediately available  
19 and other treatment has failed or cannot be initiated.

20 **“SECTION 4. This 2013 Act being necessary for the immediate**  
21 **preservation of the public peace, health and safety, an emergency is**  
22 **declared to exist, and this 2013 Act takes effect July 1, 2013.”.**
