Committee members convened at the school at 1:15 PM for a tour by Patti Togioka, Director of the School. The Committee toured the girls' dormitory, Adult Transition Program (ATP), high school rooms and boys' dormitories. They received a presentation by several of the ATP students on programs and education in which they were involved. The committee also met and discussed instruction and services with several teachers. The field trip and tour ended at approximately 2:50 PM.
