Date: 2/4/2013

Measure Description:

Rescinds Senate Joint Resolution 34 (2013).

Government Unit(s) Affected:

Secretary of State, Oregon University System

Summary of Expenditure Impact:

See analysis.

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis:

SJR 203 rescinds SJR 34 (2013), and refers for voters' approval a revised Constitutional amendment to allow Oregon community college employees and public university employees not employed by the State Board of Higher Education to serve as members of the Legislative Assembly, and to allow individuals serving as a judge of any state court to be employed by Oregon National Guard for purpose of performing military service, or to be employed by any public university for purpose of teaching.

Because the measure is referred to voters at the next regular general election, the fiscal impact to the Secretary of State's office is the state's portion of incremental costs incurred for an already-funded election. The Secretary of State prepares and distributes the voters' pamphlet and collects a \$500 filing fee for each argument submitted in support or opposition of a ballot measure. Typically, these filing fees cover slightly more than one-half of the cost of producing and mailing the voters' pamphlet. The remaining costs are paid by the General Fund.

At this time, the fiscal impact to the Secretary of State's office is indeterminate. This is because the cost of producing and distributing the voters' pamphlet is determined by the total number of initiatives and legislative referrals on the ballot, and by the number of arguments submitted in support or opposition of these ballot measures, and this information will not be known until after election filing deadlines. The Legislative Fiscal Office (LFO) assumes that the Secretary will seek General Fund support from the Emergency Board or Legislative Assembly if the actual voters' pamphlet costs exceed currently budgeted election expenditures.

Under procedures established in ORS 250.125 and 250.127, a financial impact committee is created for each state measure submitted to the ballot through the initiative and referendum processes. For this reason, LFO does not include an estimate of the fiscal impact that would result if this joint resolution were to be adopted by a vote of the people.
