Subject: HB 4044 & SB 1572

Dear Committee Administrator,

I urge passage of HB 4044 (SB 1572), please.

I have worked fifty years to be able to purchase this ranch. If you take my water, it is worthless.

The time is here for politicians to consider their constituents, rather than their own re-election. Consider from where your food comes. You and your descendants are not immune to hunger. To maintain our current, plentiful supply, farmer and rancher support is critical.

Sincerely,

D. Kent Patton, D.V.M.
