

Dear Senator Beyer and Members of the Committee,

I am writing in support of SB 1520, to ease the path for community solar projects in Oregon. I am in strong support of such projects, which remain out of reach for many Oregonians at this time. Passage of this bill would help our state to become a leader in rooftop solar, create jobs, and speed the transition to a clean energy economy in Oregon.

Please pass this bill as soon as possible.

Thank you for your attention,

Respectfully,

Carla A. Wise
