

January 2014

The Honorable John Kitzhaber
160 State Capitol
900 Court Street
Salem, Oregon 97301-4047

Dear Governor Kitzhaber:

We, the students of Siletz Valley Charter School and Siletz Valley Early College Academy, would like to request you take all steps necessary to allow the Siletz School the opportunity to keep its logo/school emblem – The Siletz Warriors!

We were extremely disappointed when we were told that you had vetoed the bill that would have allowed the school to work with the Confederated Tribes of Siletz Indians in its efforts to keep our logo/emblem.

As were our parents, grandparents, and other relations, we are proud to be the Siletz Warriors and do not feel it is in our best interest for the State to take our pride away from us. The Siletz School has and always should be, the Home of the Siletz Warriors!

Please hear our voices as we reach out to you to do what is right that would allow us to continue our *School Spirit and Pride as the Siletz Warriors*.

Respectfully Submitted,
