Subject: Fwd: Petition in support on HB 4102

Hi Jan,

I'd like to submit a petition in support of HB 4102, which will be up for a work session in the House Committee on Consumer Protection and Government Efficiency today. Here is a link to the text of the petition, and the over 3,400 signatures. I will also send to the committee members, but please include it in the committee record.
