

**I SUPPORT**

SB 1504: The bill makes minor changes to statutes dealing with elections and circulating petitions.

SB 1563; This bill step in the right direction to help prevent voter fraud. For example it establishes rules for the inspection of "defective ballots."

---

**Personal Choice**

Portions of the bill put a greater control on the community and it always good to have more people involved in the process.

**Limited Government**

holds government accountable for ballot use.

**Local Control**

Since each county appoints their own board it allows local citizens to verify the election process

**I DO NOT SUPPORT****SB 1515:**

This bill establishes a work group to examine the feasibility of internet voting.
