Work Session Recommendations

---

House Bill 4108 appropriates \$75,000 General Fund to the Oregon Health Authority to contract with community organizations to pilot a program to enable a network to provide used durable medical equipment to medical assistance recipients.

The measure previously had hearings in the House Committee on Health Care on 2/3/2014 and 2/5/2014.

The agency anticipates using existing staff and resources to award contracts to community organizations operating the pilot project.

The measure is recommended to be moved to the Full Committee on Joint Ways and Means.

**Motion: I move HB 4108-A to the Joint Committee on Ways and Means with a “do pass” recommendation.**
