Senate Rules Committee
Support for Senate Resolution 201

Chair Rosenbaum and members of the Senate Rules Committee,

The Columbia River Pilots fully support Senate Resolution 201 to designate Clatsop Community College as Oregon's Maritime College. As a primary stakeholder in the regional maritime industry, we believe the maritime education and training provided by CCC plays a critical role in developing a skilled maritime workforce. As Oregonians, we are very proud to have this specialized institution in our state.

Thank you for the opportunity to share our support for Clatsop Community College and Senate Resolution 201.

Sincerely,

A handwritten signature in cursive script that reads "Anne McIntyre". The signature is written in dark ink and includes a small circular mark at the end, possibly a flourish or a date.
