

SB 1514

Relating to distribution of moneys to counties

Senate Bill 1514 increases the percentage of money distributed from registration of travel trailers, campers, and motor homes (RV fees) to county parks from 35% to 40% for the remainder of the 2013-15 biennium. After July 1, 2015, the percentage to county parks increases to 45%. The bill is effective on passage.

The increase to counties in 2013-15 is \$1.1 million. The offsetting \$1.1 million decrease to State Parks and Recreation can be backfilled with one-time Lottery Funds ending balance.

The Natural Resources Subcommittee recommends Senate Bill 1514 be amended and reported out do pass, as amended.
