---

House Bill 4047 Establishes the 14-member Task Force on School Safety charged with: (1) developing a request for proposals for hiring a vendor to create an Internet accessible database of floor plans for all schools within the state; and (2) examining models of existing school safety and incident response education and training programs for first responders and school administration officials. The task force is required to submit a report regarding the floor plan database to the Legislature by September 1, 2014. The bill takes effect on passage, and sunsets on the date of the convening of the 2017 Legislative Assembly.

## Amendment

The proposed –A3 amendment removes the requirement to develop coordinated statewide school safety and incident response education and training curriculum for first responders and school administration officials. It also removes the appropriation to the State Police for this purpose.

**Motion: I move the –A3 amendment to HB 4087-A.**

## Measure as Modified

The measure, as amended, is recommended to be moved to the Full Committee on Joint Ways and Means.

**Motion: I move HB 4087-A to the Joint Committee on Ways and Means with a “do pass” recommendation, as amended.**
