

**FULL COMMITTEE PONY**

**HB 4019**

**Relating to higher education**

---

HB 4019 requires the Higher Education Coordinating Commission (HECC) to annually identify the federal or national entity that best provides information about the affordability and value of institutions of higher education in Oregon. Higher education institutions are then required to link to the website of the entity identified by the HECC to provide potential students with facts regarding, but not limited to, academic program requirements, costs of education, loans, and loan default rates. The HECC is also required to work toward developing a website that provides information on the affordability and value of all institutions of higher education operating in Oregon.

The Education Subcommittee recommends House Bill 4019 be amended and reported out do pass, as amended.
