To: Members of the Capital Construction Subcommittee

From: Michelle Deister, Legislative Fiscal Office
(503) 986-1817

Date: March 5, 2014

Subject: SB 1559 A—Work Session Recommendations

Background Information

SB 1559A establishes the Oregon Liquor Control Modernization Task Force to evaluate the existing system for distributing and selling liquor, and to identify means of modernizing the system. The task force is required to report to an interim committee of the Legislative Assembly by October 1, 2014. The measure also clarifies the ability of the Oregon Liquor Control Commission to access the Law Enforcement Data System for purposes of background checks related to license issuance.

Because the Subcommittee did not take action to actually move the bill to the Full Ways and Means committee on March 4 with a recommendation, no additional action is necessary to rescind amendments previously considered March 4; instead, for the sake of simplicity and clarity, the Subcommittee can use today's meeting to move the desired amendments into SB 1559A.

Recommended Changes to SB 1559 A

LFO recommends the following:

- Move –A12 amendment, which removes provisions related to the task force in SB 1559A.
- Move the –A13 amendment, which clarifies that the enforcement division of the Oregon Liquor Control Commission has access to the Law Enforcement Data System.

Sen./Rep. _____ **moves the -A12 amendment to SB 1559 A.**

Sen./Rep. _____ **moves the –A13 amendment to SB 1559A.**

SB 1559 A Final Subcommittee Action:

Final Motion:
