Subject: *HB 4157 - Work Session*

House Bill 4157 relates to state financial administration. An amendment replaces the bill. The amended version is referred to as the "Program Change" bill. The bill has an emergency clause and is effective on passage.

The amended version of the bill implements statutory changes necessary to support the 2013-15 legislatively approved budget and to clarify the application of statutes. The bill is not an appropriation bill and therefore does not include the appropriation of funds.

The bill is necessary to achieve a balanced budget for the 2013-15 biennium. The fiscal or budgetary impacts of provisions of this bill are contained in HB 5201, which is the budget reconciliation bill for the 2013-15 biennium, or in other specific budget measures.

The Work Session packet includes a preliminary staff measure summary and draft fiscal impact statement. This packet is available on the Oregon Legislative Information System (OLIS). A revenue impact statement is currently being prepared for the bill.
