

SB 5702

Capital Construction

Senate Bill 5702 is the budget bill for Capital Construction projects. The bill establishes authority for the planning, design, and construction of projects with costs over \$1 million. Each project must be authorized by the Legislature. Some of the projects are funded with bond proceeds provided in Senate Bill 5703.

Project approvals and expenditure limitations expire six years after being authorized. Projects approved in this bill will expire on June 30, 2019. The bill extends the date for a previously approved project for the Oregon State Police. The bill increases the expenditure limitation on a previously approved project for the Military Department to partner with the Columbia Gorge Community College for a joint Readiness/Workforce Center. The bill also authorizes the Military Departments sale of the Military Academy building on the campus of Western Oregon University.

The Budget Report lists a description of the capital construction projects and the recommended amounts.

The Capital Construction Subcommittee recommends Senate Bill 5702 be amended and reported out do pass, as amended.
