**ISSUES DISCUSSED:**

- No changes in current practices regarding pooled funds.
- Removes ambiguities from current statute.
- Last session, HB 2140 and SB 351 made changes to pooled fund statutes.
- Department of Justice, Treasury staff recommended making various fixes

**BACKGROUND:**

This measure is meant to be a cleanup language from the change made by HB2140 and SB 351 of the 2013 session. The language needed to include only local governments and not include state agencies. The new language also grants rulemaking authority to the StateTreasurer.
