EFFECT OF COMMITTEE AMENDMENT: No amendment.

BACKGROUND: State land use laws require Metro to maintain a 20-year supply of buildable land within the urban growth boundary (UGB). On October 20, 2011, after completing public hearings on a proposed expansion, the Metro Council unanimously adopted Ordinance No. 11-1264B (Ordinance), which expanded the UGB to fill a projected unmet need for housing and industries. After holding public hearings, the Land Conservation and Development Commission (LCDC) voted unanimously to accept the expansion of the UGB by the Ordinance on June 14, 2012. Three appeals of the decision were subsequently filed with the Court of Appeals. On February 20, 2014, the Court of Appeals reversed and remanded decisions made by LCDC, Metro and the three urban counties of the Portland region designating urban and rural reserves.

House Bill 4078-A validates the UGB, and Washington County urban and rural reserves adopted by Metro, except for certain areas as specified in the Act.
