## **Revenue Summary**

House Bill 4117 is funded with General Fund.

## **Summary of Subcommittee Action**

House Bill 4117 directs the Oregon Department of Education (ODE) to make grants to improve student achievement in schools that are defined in the bill as high poverty and low performing. The bill appropriates \$500,000 General Fund to ODE to fund the grants.

The bill defines high poverty using the framework established by Title 1 of the Elementary and Secondary Act of 1965 (ESEA). Low performing schools are defined as needing additional supports by ODE in its ESEA flexibility waiver from the federal Department of Education. ODE is required to notify schools qualifying under these definitions of their eligibility for the grants. The grants must be used for at least 60 hours of direct academic summer instruction provided by licensed teachers or educational assistants.
