

A-Engrossed
House Bill 4022

Ordered by the House February 14
Including House Amendments dated February 14

Sponsored by Representatives MATTHEWS, GORSEK; Representatives KRIEGER, OLSON (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

[Requires providers and resellers of cellular service to provide, at request of law enforcement agency, call location information of cellular device for purpose of responding to 9-1-1 emergency call or emergency involving risk of death or serious physical harm.]

Requires providers of radio communications service for cellular devices to provide, at request of law enforcement agency, call location information of cellular device used to place 9-1-1 call requesting emergency assistance or reasonably believed to be in possession of individual in emergency situation that involves risk of death or serious physical harm to individual.

Protects provider from liability for civil damages for providing in good faith confidential or nonpublic information to law enforcement agency responding to emergency situations.

A BILL FOR AN ACT

1
2 Relating to emergency access to call location information of cellular device; creating new pro-
3 visions; and amending ORS 403.135.

4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1. Section 2 of this 2014 Act is added to and made a part of ORS 403.105 to**
6 **403.250.**

7 **SECTION 2. (1) At the request of a law enforcement agency, a provider of radio com-**
8 **munications service for cellular devices shall provide the call location information of a cel-**
9 **lular device that is used to place a 9-1-1 call requesting emergency assistance from the law**
10 **enforcement agency or is reasonably believed to be in the possession of an individual that the**
11 **law enforcement agency reasonably believes is in an emergency situation that involves the**
12 **risk of death or serious physical harm to the individual.**

13 **(2) To facilitate requests for call location information from a law enforcement agency**
14 **under this section:**

15 **(a) The Office of Emergency Management shall:**

16 **(A) Maintain a database containing emergency contact information for providers of radio**
17 **communications service for cellular devices that are registered to do business in this state**
18 **or that submit to the jurisdiction of this state; and**

19 **(B) Make the information immediately available upon request to a public safety answer-**
20 **ing point in this state.**

21 **(b) A provider that is registered to do business in this state, or that submits to the ju-**
22 **risdiction of this state, shall submit emergency contact information for the provider to the**
23 **office.**

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 **(3) Emergency contact information submitted by a provider of radio communications**
2 **service for cellular devices under this section must be submitted by June 15 of each year or**
3 **immediately after a change in contact information.**

4 **(4) Notwithstanding the limitations of ORS 403.135 (3), a cause of action does not arise**
5 **against a provider of radio communications service for cellular devices or the officers, em-**
6 **ployees or agents of the provider for providing call location information in good faith as re-**
7 **quired by this section.**

8 **(5) The office shall coordinate with public safety answering points and law enforcement**
9 **agencies the collection of information regarding the disclosure of call location information**
10 **under this section and make a written report biennially. The office shall provide the report**
11 **to the Legislative Assembly as provided in ORS 192.245. The report must contain information**
12 **regarding:**

13 **(a) The number and circumstances of requests received, by public safety answering point**
14 **and by law enforcement agency, to disclose the call location information for a cellular device**
15 **reasonably believed to be in the possession of an individual that the law enforcement agency**
16 **reasonably believes is in an emergency situation that involves the risk of death or serious**
17 **physical harm to the individual.**

18 **(b) Analysis of any circumstances in which the receipt of information described in para-**
19 **graph (a) of this subsection is not provided at all or not provided in a timely manner.**

20 **(6) The office may adopt rules to implement this section.**

21 **(7) This section shall be known, and may be cited, as the Kelsey Smith Act.**

22 **SECTION 3.** ORS 403.135 is amended to read:

23 403.135. (1) Each telecommunications utility that provides exchange access service or radio
24 communications service and that provides automatic number identification to public safety answer-
25 ing points may not block the number of the calling party from being forwarded on 9-1-1 calls.

26 (2) Automatic number identifications received by public safety answering points are confidential
27 and are not subject to public disclosure unless and until an official report is written by the public
28 or private safety agency and that agency does not withhold the telephone number under ORS 192.410
29 to 192.505 or other state and federal laws. The official report of a public safety answering point may
30 not include nonpublished or nonlisted telephone numbers. The official report of a public or private
31 safety agency may not include nonpublished or nonlisted telephone numbers. Nonpublished or non-
32 listed telephone numbers are not otherwise subject to public disclosure without the permission of
33 the subscriber.

34 (3) A provider is not subject to an action for civil damages for providing in good faith confi-
35 dential or nonpublic information, including nonpublished and nonlisted subscriber information, to
36 emergency services providers who are:

37 **(a) Responding to emergency calls placed to a 9-1-1 emergency reporting system;**

38 **(b) Responding to emergency situations that involve the risk of death or serious physical**
39 **harm to an individual, as provided in section 2 of this 2014 Act; or**

40 **(c) Notifying the public of an emergency. [This]**

41 **(4) Subsection (3) of this section** does not compel a provider to provide nonpublished and
42 nonlisted subscriber information directly to emergency services providers or law enforcement agen-
43 cies prior to placement of an emergency call to a 9-1-1 emergency reporting system without process
44 of law.

45 **(5) Subscriber information acquired by a 9-1-1 jurisdiction for the purpose of enhancing a 9-1-1**

1 emergency reporting system is not subject to public disclosure and may not be used by other public
2 agencies except:

3 (a) To respond to a 9-1-1 call;

4 **(b) To respond to an emergency situation that involves the risk of death or serious**
5 **physical harm to an individual, as provided in section 2 of this 2014 Act; or**

6 [(b)] (c) To notify the public of an emergency by utilizing an automated telephone notification
7 system if a provider has provided subscriber information to the 9-1-1 jurisdiction or emergency ser-
8 vices provider.
