27 (3) In the event the assessment provided for in subsection (1) of this section is inadequate to
28 meet the administrative expenses incurred by the system for the state deferred compensation plan,
29 and these expenses are not carried over to another fiscal period, the excess expenses may be paid
30 by an additional one-time assessment against the account balances of state plan participants in the
31 Deferred Compensation Fund. The additional assessment shall be in an amount determined by the
32 Public Employees Retirement Board to be sufficient to pay the excess expenses in the fiscal period
33 in which the assessment is made. The one-time assessment is in addition to the regular assessment

35 (4) Deferred compensation benefit payments, and amounts payable as refunds, shall not for any
36 purpose be deemed expenses of the board and shall not be included in its biennial departmental

 2 section must enter into a written agreement with the Public Employees Retirement System. The
 3 agreement must set forth the terms of the investment and the record keeping and related services
 4 to be performed by the system for the invested funds. The Public Employees Retirement Board may
 5 require that the local government enter into a service agreement under ORS 243.478 as a condition
 6 of an agreement under this subsection. If the local government and the system cannot reach an
 7 agreement under the provisions of this subsection, the local government may not become a partic-
 8 ipating local government.

9 (3) All funds invested by the [council] **department** for a participating local government must be
 10 accounted for separately. Investment of funds under this section must be implemented and admin-

 12 may be imposed under ORS 243.401 to 243.507 or other law.

13 (4) In addition to those amounts that may be deducted by the **department or the** State Treas-
 14 urer pursuant to ORS 293.718, the system may assess a charge against the total account balances

 17 shall not act as a trustee or be considered the trustee of any trust established by a local government
 18 deferred compensation plan.

19 (5) The terms of the agreement provided for in subsection (2) of this section shall govern the

 27 that the local government provide proof that the local government deferred compensation plan
 28 complies with the provisions of section 457 of the Internal Revenue Code, as amended, that apply
 29 to governmental plans, including but not limited to any required declaration of trust related to plan
 30 assets and appointment of a trustee. The [council] **department**, board or director may require an
 31 opinion of counsel or other assurance satisfactory to the [council] **department**, board or director
 32 that participation of a local government deferred compensation plan in the deferred compensation
 33 investment program does not cause the State of Oregon, its agencies or employees to violate any
 34 federal or state laws or regulations related to investments and securities.

35 (2) Participating local governments shall take all actions that the Oregon Investment [Council]
 36 **Department**, the Public Employees Retirement Board or the Director of the Public Employees Re-

 45 enrollment services, participant accounts, data processing, record keeping and other related services

 3 through contracts with other providers.

4 (2) Agreements under this section must require that the participating local government remain
 5 the responsible administrator for the local government deferred compensation plan. The agreement
 6 may provide any additional terms and conditions that the system determines necessary for the pur-

 8 compensation plans, including proof of compliance under ORS 243.476. The system may require that
 9 participating local governments that enter into agreements with the system under this section have
 10 uniform provisions on plan administration and record keeping.

11 (3) The system may assess a charge, in an amount to be determined by the system, against the
 12 total account balances in the Deferred Compensation Fund of all local governments that have en-
 13 tered into service agreements under this section. The charge imposed under this subsection is in
 14 addition to any charges that may be assessed against local governments by the system under ORS
 15 243.474 or deducted by the **Oregon Investment Department or the** State Treasurer under ORS
 16 293.718.

17 (4) In the event the assessment provided for in subsection (3) of this section is inadequate to
 18 meet the administrative expenses incurred by the system for local government deferred compen-
 19 sation plans during a fiscal period, and the expenses are not carried over to another fiscal period
 20 pursuant to ORS 243.472 (2), the excess expenses may be paid by an additional one-time assessment
 21 against the account balances in the Deferred Compensation Fund of participating local governments
 22 that have entered into service agreements under this section.

23 **SECTION 65.** ORS 243.482 is amended to read:

 42 liability that may be imposed under the provisions of ORS chapter 59. Except to the extent that the
 43 state deferred compensation plan and the deferred compensation investment program are exempted
 44 from registration and licensing requirements under ORS 243.421, ORS chapter 59 applies to the ad-
