14 243.472. (1) ORS 243.401 to 243.507 shall be implemented and administered by the Public Em-

 17 System incur no liabilities other than those liabilities that may be imposed under ORS 243.401 to
 18 243.507 or other law. In addition to the amounts that may be deducted by the **Oregon Investment**
 19 **Department or the** State Treasurer pursuant to ORS 293.718, the Public Employees Retirement
 20 System may assess a charge against the accounts of state plan participants in the Deferred Com-

 22 collected pursuant to the charge are continuously appropriated for and shall be used only to cover
 23 the costs incurred by the system to administer the state deferred compensation plan, to issue refunds

25 (2) For the purpose of implementing and administering the provisions of ORS 243.401 to 243.507,

 31 collected in one fiscal period to a later fiscal period for the payment of future expenses.

32 (3) In the event the assessment provided for in subsection (1) of this section is inadequate to
 33 meet the administrative expenses incurred by the system for the state deferred compensation plan,
 34 and these expenses are not carried over to another fiscal period, the excess expenses may be paid
 35 by an additional one-time assessment against the account balances of state plan participants in the
 36 Deferred Compensation Fund. The additional assessment shall be in an amount determined by the
 37 Public Employees Retirement Board to be sufficient to pay the excess expenses in the fiscal period
 38 in which the assessment is made. The one-time assessment is in addition to the regular assessment
 39 provided for in subsection (1) of this section.

40 (4) Deferred compensation benefit payments, and amounts payable as refunds, shall not for any
 41 purpose be deemed expenses of the board and shall not be included in its biennial departmental

 2 deferred compensation plan invested through the deferred compensation investment program are not
 3 subject to the limitations on investment imposed by ORS 294.033 and 294.035. Local governments
 4 that invest through the deferred compensation investment program are subject to the policies and
 5 procedures established by the [*council*] **department** for the administration of the program.

6 (2) A local government that wishes to become a participating local government pursuant to this
 7 section must enter into a written agreement with the Public Employees Retirement System. The
 8 agreement must set forth the terms of the investment and the record keeping and related services
 9 to be performed by the system for the invested funds. The Public Employees Retirement Board may
 10 require that the local government enter into a service agreement under ORS 243.478 as a condition
 11 of an agreement under this subsection. If the local government and the system cannot reach an
 12 agreement under the provisions of this subsection, the local government may not become a partic-
 13 ipating local government.

14 (3) All funds invested by the [*council*] **department** for a participating local government must be
 15 accounted for separately. Investment of funds under this section must be implemented and admin-
 16 istered so that the State of Oregon incurs no expense or liability other than those liabilities that
 17 may be imposed under ORS 243.401 to 243.507 or other law.

18 (4) In addition to those amounts that may be deducted by the **department or the** State Treas-
 19 urer pursuant to ORS 293.718, the system may assess a charge against the total account balances
 20 of all participating local governments that is sufficient to reimburse the system for any additional
 21 costs of investing funds for participating local governments. The Public Employees Retirement Board
 22 shall not act as a trustee or be considered the trustee of any trust established by a local government
 23 deferred compensation plan.

24 (5) The terms of the agreement provided for in subsection (2) of this section shall govern the
 25 nature and extent of the information that must be provided to local government officers and em-
 26 ployees about the investment of deferred compensation through the deferred compensation invest-
 27 ment program.

28 **SECTION 63.** ORS 243.476 is amended to read:

29 243.476. (1) As a condition of allowing a local government to become a participating local gov-

 31 ployees Retirement Board or the Director of the Public Employees Retirement System may require
 32 that the local government provide proof that the local government deferred compensation plan
 33 complies with the provisions of section 457 of the Internal Revenue Code, as amended, that apply
 34 to governmental plans, including but not limited to any required declaration of trust related to plan
 35 assets and appointment of a trustee. The [*council*] **department**, board or director may require an
 36 opinion of counsel or other assurance satisfactory to the [*council*] **department**, board or director
 37 that participation of a local government deferred compensation plan in the deferred compensation
 38 investment program does not cause the State of Oregon, its agencies or employees to violate any
 39 federal or state laws or regulations related to investments and securities.

40 (2) Participating local governments shall take all actions that the Oregon Investment [*Council*]
 41 **Department**, the Public Employees Retirement Board or the Director of the Public Employees Re-
 42 tirement System, in their discretion, deem necessary for compliance by the deferred compensation
 43 investment program with all applicable federal and state laws or for qualification of the program for
 44 any exemptions from regulation available under those laws, including but not limited to the federal
 45 Securities Act of 1933, as amended, the Investment Company Act of 1940, as amended, and ORS

1 chapter 59.

 4 enter into a written agreement for the system to provide consolidated billing services, participant
 5 enrollment services, participant accounts, data processing, record keeping and other related services
 6 that are necessary or appropriate to the administration of the local government deferred compen-
 7 sation plan. The agreement may provide that the services be provided directly by the system or
 8 through contracts with other providers.

9 (2) Agreements under this section must require that the participating local government remain
 10 the responsible administrator for the local government deferred compensation plan. The agreement
 11 may provide any additional terms and conditions that the system determines necessary for the pur-
 12 poses of offering the services described in subsection (1) of this section to local government deferred
 13 compensation plans, including proof of compliance under ORS 243.476. The system may require that
 14 participating local governments that enter into agreements with the system under this section have
 15 uniform provisions on plan administration and record keeping.

16 (3) The system may assess a charge, in an amount to be determined by the system, against the
 17 total account balances in the Deferred Compensation Fund of all local governments that have en-
 18 tered into service agreements under this section. The charge imposed under this subsection is in
 19 addition to any charges that may be assessed against local governments by the system under ORS
 20 243.474 or deducted by the **Oregon Investment Department or the State Treasurer** under ORS
 21 293.718.

22 (4) In the event the assessment provided for in subsection (3) of this section is inadequate to
 23 meet the administrative expenses incurred by the system for local government deferred compen-
 24 sation plans during a fiscal period, and the expenses are not carried over to another fiscal period
 25 pursuant to ORS 243.472 (2), the excess expenses may be paid by an additional one-time assessment
 26 against the account balances in the Deferred Compensation Fund of participating local governments
 27 that have entered into service agreements under this section.

28 **SECTION 65.** ORS 243.482 is amended to read:

34 (b) A breach of any duty in administering or investing of the funds of participating local gov-

 37 of those participants because of the participant's choice of an investment option available through
 38 the deferred compensation investment program established under ORS 243.421.

39 (2) Any claim that **the department**, the council, the board, the State Treasurer or the system,
 40 or any of their officers or employees, violated federal or state securities laws, including antifraud
 41 provisions, in the implementation or administration of ORS 243.401 to 243.507 is subject to the pro-

 44 and their officers and employees, as provided for other torts under the provisions of ORS 30.260 to
 45 30.300.

1 (3) The limitations on liability established by this section do not include an exemption from any
 2 liability that may be imposed under the provisions of ORS chapter 59. Except to the extent that the
 3 state deferred compensation plan and the deferred compensation investment program are exempted
 4 from registration and licensing requirements under ORS 243.421, ORS chapter 59 applies to the ad-
