19 (3) The Legislative Assembly finds that the use of lottery bond proceeds will create jobs,  
20 further economic development, finance public education or restore and protect parks,  
21 beaches, watersheds and native fish and wildlife, and is authorized based on the finding that  
22 energy conservation, renewable energy and general business development projects create  
23 jobs and facilitate and encourage economic development.

24 **SECTION 14.** (1) For the biennium beginning July 1, 2013, at the request of the Oregon  
25 Department of Administrative Services, after the department consults with the Department

34 terminating the leasehold on, and remodeling, Cascades Hall on the campus of the Central  
35 Oregon Community College.

36 (3) The Legislative Assembly finds that the use of lottery bond proceeds will create jobs,  
37 further economic development, finance public education or restore and protect parks,  
38 beaches, watersheds and native fish and wildlife, and is authorized based on the finding that  
39 the proceeds will be used to finance public education.

40 **SECTION 14a.** (1) The Cascades Hall Reacquisition Fund is established in the State  
41 Treasury, separate and distinct from the General Fund. Amounts in the Cascades Hall Re-  
42 acquisition Fund may be invested as provided in ORS 293.701 to 293.857, and interest earned  
43 on the fund must be credited to the fund.

44 (2) Amounts credited to the fund are continuously appropriated to the Department of  
45 Community Colleges and Workforce Development for the purpose of terminating the

1 leasehold on, and remodeling, Cascades Hall on the campus of the Central Oregon Commu-  
2 nity College and for the purpose of paying bond-related costs. The department shall deposit

12 **SECTION 15.** Section 4, chapter 906, Oregon Laws 2009, as amended by section 3, chapter 624,  
13 Oregon Laws 2011, and section 19, chapter 786, Oregon Laws 2013, is amended to read:

14 **Sec. 4.** (1) Pursuant to ORS 286A.560 to 286A.585, at the request of the Oregon Department of  
15 Administrative Services, after the department consults with the Housing and Community Services  
16 Department, the State Treasurer is authorized to issue lottery bonds for the Housing and Community  
17 Services Department to provide financial assistance to aid in the acquisition, renovation or mainte-  
18 nance of section 8 housing or other housing with federal rent subsidies.

19 (2) The use of lottery bond proceeds is authorized based on the following findings:

20 (a) Individuals who are at risk of homelessness or who otherwise pay a disproportionate share  
21 of income for housing increase their potential for self-sufficiency, and use proportionately fewer  
22 community-funded resources when they are provided a stable housing environment.

23 (b) Having housing for at-risk populations is essential to Oregon's healthy economic growth.

24 (3) The aggregate principal amount of lottery bonds issued pursuant to subsection (1) of this  
25 section may not exceed the amount of [~~\$26,301,718~~] **\$28,801,718** plus an additional amount estimated

27 **SECTION 16.** ORS 352.113 is amended to read:

28 352.113. (1) Legal title to all real property acquired by a university with a governing board  
29 [*shall*] **must** be taken and held in the name of the State of Oregon, acting by and through the gov-  
30 erning board. Legal title to all real property conveyed to a university with a governing board is  
31 considered to be conveyed to and vested in the State of Oregon, acting by and through the govern-  
32 ing board. Authorized conveyances of all real property, other than university lands, acquired by or  
33 vested in the State of Oregon for the use or benefit of the university must be executed in the name  
34 of the State of Oregon, acting by and through the governing board, by the chairperson of the gov-  
35 erning board.

36 (2) The governing board has custody and control of and shall care for all real property used for  
37 university purposes. Management, maintenance, encumbrance, disposal and preservation of all real  
38 property used for university purposes, whether the real property is acquired before or after the es-  
39 tablishment of a governing board, is the responsibility of the governing board. Unless the governing  
40 board has granted prior consent, real property taken and held under this section may only be en-  
41 cumbered by the State of Oregon in accordance with state law and in a manner that would not im-  
42 pair the financial condition of the university or the rights of the holders of any obligations of the  
43 university issued or incurred under any master indenture or other financing agreement.

44 (3) **Legal title to all personal property acquired, constructed, remodeled, repaired,**  
45 **equipped or furnished with the proceeds of bonds issued pursuant to Article XI-Q of the**

1 **Oregon Constitution for the benefit of a university with a governing board must be taken**  
2 **and held in the name of the State of Oregon, acting by and through the governing board. The**  
3 **governing board has custody and control of the personal property and shall care for the**  
4 **personal property owned by the State of Oregon. When the Article XI-Q bonds are no longer**  
5 **outstanding, legal title to the personal property automatically by operation of law transfers**  
6 **to and vests in the university with a governing board for whose benefit the Article XI-Q**  
7 **bonds were issued.**

8 [(3)] (4) Unless the State Treasurer has granted prior consent, real or personal property held in  
9 the name of the State of Oregon, or in which the State of Oregon has an ownership or other legal  
10 interest, that was acquired, constructed, improved with or otherwise directly benefited by the pro-  
11 ceeds of outstanding state bonds, may not be:

12 (a) Used by a governing board in a manner that would give rise to private business use; or

13 (b) Sold, transferred, encumbered, leased or otherwise disposed of by a governing board. The  
14 reference to leases in this paragraph does not apply to residential leases that a governing board  
15 enters into with students, faculty or employees of the university.

16 **SECTION 17.** ORS 352.138 is amended to read:

17 352.138. (1) The following entities are not subject to any provision of law enacted after January  
18 1, 2013, that is unique to governmental entities unless the following entities are expressly named:

25 279.850 and 297.040 and ORS chapters 35, 190, 192 and 244 apply to a university with a governing  
26 board under the same terms as they apply to public bodies other than the state.

27 (3) Except as otherwise provided by law, the provisions of ORS 35.550 to 35.575, 180.060, 180.210  
28 to 180.235, 184.305 to 184.345, 190.480, 190.490, 200.035, 243.696, 357.805 to 357.895 and 656.017 (2)  
29 and ORS chapters 182, 183, 240, 270, 273, 276, 278, 279A, 279B, 279C, 282, 283, 291, 292, 293, 294, 295  
30 and 297 do not apply to a university with a governing board.

31 (4) Notwithstanding subsections (1) and (3) of this section, ORS 240.167, 279C.600 to 279C.625,  
32 279C.800, 279C.810, 279C.825, 279C.830, 279C.835, 279C.840, 279C.845, 279C.850, 279C.855, 279C.860,  
33 279C.865, 279C.870 and 292.043 apply to a university with a governing board under the same terms  
34 as they apply to public bodies other than the state.

35 (5) Notwithstanding subsection (2) of this section, ORS 190.430 and 192.105 do not apply to a  
36 university with a governing board or any organization or other entity described in subsection (1)  
37 of this section.

38 (6) Except as set forth in subsection (3) of this section, ORS 243.650 to 243.782 apply to a uni-

40 (7) ORS 351.065, 351.067, 351.642, 351.643, 351.644, 351.646, 351.656, 351.658, 352.012 and 352.375  
41 apply to a university with a governing board, except that the board or university shall exercise the  
42 responsibilities and authorities of the State Board of Higher Education, the Higher Education Co-

44 (8) A university with a governing board and its agents and employees remain subject to all  
45 statutes and administrative rules of this state that create rights, benefits or protections in favor of

1 military veterans, service members and families of service members to the same extent as an agency  
2 of this state would be subject to such statutes and administrative rules.

3 (9) ORS 351.692, 351.695 and 351.697 apply to a governing board, except that the board has the  
4 responsibilities and authorities with respect to the university it governs that the State Board of  
5 Higher Education and the Oregon University System have with respect to the public universities

8 to owe the General Fund more than \$6 million at any one time under ORS 351.692, 351.695 and  
9 351.697.
