21 “(2) Except as otherwise provided by ORS 743.733 to 743.737 or other law,
22 no health benefit plan offered to a small employer shall:

23 “(a) Inhibit a carrier from contracting with providers or groups of pro-
24 viders with respect to health care services or benefits; or

25 “(b) Impose any restriction on the ability of a carrier to negotiate with
26 providers regarding the level or method of reimbursing care or services pro-
27 vided under health benefit plans.

28 “(3)(a) A carrier may provide different health benefit plans to different
29 categories of employees of a small employer when the employer has chosen
30 to establish different categories of employees in a manner that does not re-

1 late to the actual or expected health status, **age, expected length of life,**
2 **present or predicted disability, degree of medical dependency or quality**
3 **of life** of such employees or their dependents. The categories must be based
4 on bona fide employment-based classifications that are consistent with the
5 employer's usual business practice.

6 “(b) Except as provided in ORS 743.736 (8), a carrier that offers coverage
7 to a small employer shall offer coverage to all eligible employees of the small
8 employer.

9 “(c) If a small employer elects to offer coverage to dependents of eligible
10 employees, the carrier shall offer coverage to all dependents of eligible em-

12 “(4) Notwithstanding any other provision of law, an insurer may not deny,
13 delay or terminate participation of an individual in a group health benefit
14 plan or exclude coverage otherwise provided to an individual under a group
15 health benefit plan based on a preexisting condition of the individual.

16 **“SECTION 7.** ORS 743.736 is amended to read:

17 “743.736. (1) As a condition of transacting business in the small employer
18 health insurance market in this state, a carrier shall offer small employers
19 all of the carrier's health benefit plans, approved by the Department of
20 Consumer and Business Services for use in the small employer market, for
21 which the small employer is eligible.

22 “(2) A carrier that offers a health benefit plan in the small employer
23 market only to one or more bona fide associations is not required to offer
24 that health benefit plan to small employers that are not members of the bona
25 fide association.

26 “(3) A carrier shall issue to a small employer any health benefit plan that
27 is offered by the carrier if the small employer applies for the plan and agrees
28 to make the required premium payments and to satisfy the other provisions
29 of the health benefit plan.

30 “(4) A multiple employer welfare arrangement, professional or trade as-

1 sociation or other similar arrangement established or maintained to provide
2 benefits to a particular trade, business, profession or industry or their sub-
3 sidiaries may not issue coverage to a group or individual that is not in the
4 same trade, business, profession or industry as that covered by the arrange-
5 ment. The arrangement shall accept all groups and individuals in the same
6 trade, business, profession or industry or their subsidiaries that apply for
7 coverage under the arrangement and that meet the requirements for mem-
8 bership in the arrangement. For purposes of this subsection, the require-
9 ments for membership in an arrangement may not include any requirements
10 that relate to the actual or expected health status, **age, expected length**
11 **of life, present or predicted disability, degree of medical dependency**
12 **or quality of life** of the prospective enrollee.

13 “(5) A carrier shall, pursuant to subsection (3) of this section, accept ap-
14 plications from and offer coverage to a small employer group covered under
15 an existing health benefit plan regardless of whether a prospective enrollee
16 is excluded from coverage under the existing plan because of late enrollment.
17 When a carrier accepts an application for a small employer group, the car-
18 rier may continue to exclude the prospective enrollee excluded from coverage
19 by the replaced plan until the prospective enrollee would have become eli-
20 gible for coverage under that replaced plan.

21 “(6) A carrier is not required to accept applications from and offer cov-
22 erage pursuant to subsection (3) of this section if the department finds that
23 acceptance of an application or applications would endanger the carrier’s
24 ability to fulfill its contractual obligations or result in financial impairment
25 of the carrier.

26 “(7) A carrier shall market fairly all health benefit plans that are offered
27 by the carrier to small employers in the geographical areas in which the
28 carrier makes coverage available or provides benefits.

29 “(8)(a) Subsection (3) of this section does not require a carrier to offer
30 coverage to or accept applications from:

1 “(A) A small employer if the small employer is not physically located in
2 the carrier’s approved service area;

3 “(B) An employee of a small employer if the employee does not work or
4 reside within the carrier’s approved service areas; or

5 “(C) Small employers located within an area where the carrier reasonably
6 anticipates, and demonstrates to the department, that it will not have the
7 capacity in its network of providers to deliver services adequately to the
8 enrollees of those small employer groups because of its obligations to exist-
9 ing small employer group contract holders and enrollees.

10 “(b) A carrier that does not offer coverage pursuant to paragraph (a)(C)
11 of this subsection may not offer coverage in the applicable service area to
12 new employer groups other than small employers until the carrier resumes
13 enrolling groups of new small employers in the applicable area.

14 “(9) For purposes of ORS 743.733 to 743.737, except as provided in this
15 subsection, carriers that are affiliated carriers or that are eligible to file a
16 consolidated tax return pursuant to ORS 317.715 shall be treated as one
17 carrier and any restrictions or limitations imposed by ORS 743.733 to 743.737
18 apply as if all health benefit plans delivered or issued for delivery to small
19 employers in this state by the affiliated carriers were issued by one carrier.
20 However, any insurance company or health maintenance organization that
21 is an affiliate of a health care service contractor located in this state, or any
22 health maintenance organization located in this state that is an affiliate of
23 an insurance company or health care service contractor, may treat the health
24 maintenance organization as a separate carrier and each health maintenance
25 organization that operates only one health maintenance organization in a
26 service area in this state may be considered a separate carrier.

27 “(10) A carrier that elects to discontinue offering all of its health benefit
28 plans to small employers under ORS 743.737 (3)(e), elects to discontinue re-
29 newing all such plans or elects to discontinue offering and renewing all such

4 “(b) If notice is not provided under paragraph (a) of this subsection, from
5 the date on which the department provides notice to the carrier that the
6 department has determined that the carrier has effectively discontinued of-
7 fering health benefit plans to small employers in this state.

8 “(11) This section does not require a carrier to actively market, offer, is-
9 sue or accept applications for a grandfathered health plan or from a small
10 employer not eligible for coverage under such a plan as provided by the Pa-
11 tient Protection and Affordable Care Act (P.L. 111-148) as amended by the
12 Health Care and Education Reconciliation Act (P.L. 111-152).

13 **“SECTION 8.** ORS 743.752 is amended to read:

14 “743.752. (1) Except in the case of a late enrollee and as otherwise pro-
15 vided in this section, a carrier offering a group health benefit plan to a
16 group of two or more prospective certificate holders shall not decline to offer
17 coverage to any eligible prospective enrollee and shall not impose different
18 terms or conditions on the coverage, premiums or contributions of any
19 enrollee in the group that are based on the actual or expected health
20 status, **age, expected length of life, present or predicted disability, de-
21 gree of medical dependency or quality of life** of the enrollee.

22 “(2) A carrier that elects to discontinue offering all of its group health
23 benefit plans under ORS 743.754 (5)(e), elects to discontinue renewing all
24 such plans or elects to discontinue offering and renewing all such plans is
25 prohibited from offering health benefit plans in the group market in this
26 state for a period of five years from one of the following dates:

27 “(a) The date of notice to the Director of the Department of Consumer
28 and Business Services pursuant to ORS 743.754 (5)(e); or

29 “(b) If notice is not provided under paragraph (a) of this subsection, from
30 the date on which the director provides notice to the carrier that the direc-

1 tor has determined that the carrier has effectively discontinued offering
2 group health benefit plans in this state.

3 “(3) Subsection (1) of this section applies only to group health benefit
4 plans that are not small employer health benefit plans.

5 “(4) Nothing in this section shall prohibit an employer from providing
6 different group health benefit plans to various categories of employees as
7 defined by the employer nor prohibit an employer from providing health
8 benefit plans through different carriers so long as the employer’s categories
9 of employees are established in a manner that does not relate to the actual
10 or expected health status, **age, expected length of life, present or pre-**
11 **dicted disability, degree of medical dependency or quality of life** of the
12 employees or their dependents.

13 “(5) A multiple employer welfare arrangement, professional or trade as-
14 sociation, or other similar arrangement established or maintained to provide
15 benefits to a particular trade, business, profession or industry or their sub-
16 sidiaries, shall not issue coverage to a group or individual that is not in the
17 same trade, business, profession or industry or their subsidiaries as that
18 covered by the arrangement. The arrangement shall accept all groups and
19 individuals in the same trade, business, profession or industry or their sub-
20 sidiaries that apply for coverage under the arrangement and that meet the
21 requirements for membership in the arrangement. For purposes of this sub-
22 section, the requirements for membership in an arrangement shall not in-
23 clude any requirements that relate to the actual or expected health status,
24 **age, expected length of life, present or predicted disability, degree of**
25 **medical dependency or quality of life** of the prospective enrollee.

26 “**SECTION 9.** ORS 743.754 is amended to read:

27 “743.754. The following requirements apply to all group health benefit
28 plans other than small employer health benefit plans covering two or more
29 certificate holders:

30 “(1) Except in the case of a late enrollee and except as otherwise provided

1 in this section, a carrier offering a group health benefit plan may not decline
2 to offer coverage to any eligible prospective enrollee and may not impose
3 different terms or conditions on the coverage, premiums or contributions of
4 any enrollee in the group that are based on the actual or expected health
5 status, **age, expected length of life, present or predicted disability, de-**
6 **gree of medical dependency or quality of life** of the enrollee.

7 “(2) A group health benefit plan may not apply a preexisting condition
8 exclusion to any enrollee but may impose:

9 “(a) An affiliation period that does not exceed two months for an enrollee

30 under the plan.

1 “(e) The carrier discontinues offering or renewing, or offering and re-
2 newing, all of its group health benefit plans in this state or in a specified
3 service area within this state. In order to discontinue plans under this par-

5 “(A) Must give notice of the decision to the department and to all
6 policyholders covered by the plans;

7 “(B) May not cancel coverage under the plans for 180 days after the date
8 of the notice required under subparagraph (A) of this paragraph if coverage
9 is discontinued in the entire state or, except as provided in subparagraph (C)
10 of this paragraph, in a specified service area;

11 “(C) May not cancel coverage under the plans for 90 days after the date
12 of the notice required under subparagraph (A) of this paragraph if coverage

22 care providers to provide services under the plan within the service area. In
23 order to discontinue a plan under this paragraph, the carrier:

24 “(A) Must give notice of the decision to the department and to all

2 “(g) The carrier discontinues offering or renewing, or offering and re-

4 for all groups in this state or in a specified service area within this state,
5 other than a plan discontinued under paragraph (f) of this subsection.

6 “(h) The carrier discontinues renewing or offering and renewing a

18 “(j) The Director of the Department of Consumer and Business Services
19 orders the carrier to discontinue coverage in accordance with procedures
20 specified or approved by the director upon finding that the continuation of
21 the coverage would:

22 “(A) Not be in the best interests of the enrollees; or

23 “(B) Impair the carrier’s ability to meet contractual obligations.

24 “(k) In the case of a group health benefit plan that delivers covered ser-
25 vices through a specified network of health care providers, there is no longer
26 any enrollee who lives, resides or works in the service area of the provider
27 network.

28 “(L) In the case of a health benefit plan that is offered in the group
29 market only to one or more bona fide associations, the membership of an
30 employer in the association ceases and the termination of coverage is not

1 related to the health status of any enrollee.

2 “(6) A carrier may modify a group health benefit plan at the time of
3 coverage renewal. The modification is not a discontinuation of the plan un-
4 der subsection (5)(e), (g) and (h) of this section.

5 “(7) Notwithstanding any provision of subsection (5) of this section to the
6 contrary, a carrier may not rescind the coverage of an enrollee under a group

25 “(c) The carrier provides notice of the rescission to the department in the
26 form, manner and time frame prescribed by the department by rule.

27 “(9) A carrier that continues to offer coverage in the group market in this
28 state is not required to offer coverage in all of the carrier’s group health
29 benefit plans. If a carrier, however, elects to continue a plan that is closed
30 to new policyholders instead of offering alternative coverage in its other

1 group health benefit plans, the coverage for all existing policyholders in the
2 closed plan is renewable in accordance with subsection (5) of this section.

3 “(10) A group health benefit plan may not impose annual or lifetime limits
4 on the dollar amount of essential health benefits.

5 “(11) This section does not require a carrier to actively market, offer, is-

14 “(3) An individual health benefit plan other than a grandfathered health
15 plan must cover, at a minimum, all essential health benefits.

16 “(4) A carrier shall renew an individual health benefit plan, including a

22 “(c) The carrier discontinues offering or renewing, or offering and re-

1 of this paragraph, in a specified service area;

2 “(C) May not cancel coverage under the plans for 90 days after the date
3 of the notice required under subparagraph (A) of this paragraph if coverage

6 providers to provide services under the plans within the service area; and

7 “(D) Must discontinue offering or renewing, or offering and renewing, all
8 health benefit plans issued by the carrier in the individual market in this

15 “(A) Must give notice of the decision to the department and to all

20 other individual health benefit plans that the carrier offers in the specified
21 service area. The carrier shall offer the plans at least 90 days prior to dis-

23 “(e) The carrier discontinues offering or renewing, or offering and re-
24 newing, an individual health benefit plan, other than a grandfathered health
25 plan, for all individuals in this state or in a specified service area within this
26 state, other than a plan discontinued under paragraph (d) of this subsection.

27 “(f) The carrier discontinues renewing or offering and renewing a grand-

10 of any current or prospective enrollee.

11 “(h) The Director of the Department of Consumer and Business Services
12 orders the carrier to discontinue coverage in accordance with procedures
13 specified or approved by the director upon finding that the continuation of
14 the coverage would:

15 “(A) Not be in the best interests of the enrollee; or

16 “(B) Impair the carrier’s ability to meet its contractual obligations.

17 “(i) In the case of an individual health benefit plan that delivers covered
18 services through a specified network of health care providers, the enrollee
19 no longer lives, resides or works in the service area of the provider network
20 and the termination of coverage is not related to the health status of any
21 enrollee.

22 “(j) In the case of a health benefit plan that is offered in the individual
23 market only through one or more bona fide associations, the membership of
24 an individual in the association ceases and the termination of coverage is
25 not related to the health status of any enrollee.

26 “(5) A carrier may modify an individual health benefit plan at the time
27 of coverage renewal. The modification is not a discontinuation of the plan
28 under subsection (4)(c), (e) and (f) of this section.

29 “(6) Notwithstanding any other provision of this section, and subject to
30 the provisions of ORS 743.894 (2) and (4), a carrier may rescind an individual

2 policyholder:

3 “(a) Performs an act, practice or omission that constitutes fraud; or

4 “(b) Makes an intentional misrepresentation of a material fact as pro-
5 hibited by the terms of the policy.

10 age in its other individual health benefit plans, the coverage for all existing
11 policyholders in the closed plan is renewable in accordance with subsection
12 (4) of this section.

13 “(8) An individual health benefit plan may not impose annual or lifetime
14 limits on the dollar amount of essential health benefits.

15 “(9) This section does not require a carrier to actively market, offer, issue
