HB 2154

Requires Oregon Business Development Department to implement program audit function for all tax expenditures that have purpose connected to economic development.

HB 2155

Directs Department of Revenue to report to interim revenue committee of Legislative Assembly on use, by businesses, of tax expenditures with purposes connected to economic development and to make recommendations for allocation of tax expenditures, based on size of business, no later than February 1, 2016.

HB 2218

Directs state agencies certifying or administering tax expenditures with purpose connected to economic development to establish policies and procedures for establishing and verifying goals and objectives of tax expenditures.
