WEDNESDAY

Date: May 20, 2015

Time: 1:00 P.M.

Room: HR B

Public Hearing and Possible Work Session

HB 2187 A

Finds and declares policy position of Oregon relating to consideration of ocean renewable energy in regional transmission planning processes.

HB 3414 A

Requires certain persons to not drive in far left lane unless passing.

HB 2941 A

Authorizes electric company to offer residential electricity consumer rate option for electricity associated with specific energy resource.

HB 3011 A

Allows dispensary for Class 1 flammable liquids located in low-population county to permit self-dispensing of liquids when no owner, operator or employee of dispensary is present.

HB 2832 A

Directs governing entity of public or private post-secondary institution of education that contracts with third party financial firm for student financial aid services to consider federal policies for contracting.

HB 2987

Removes requirement for contracting agency to hold in account or otherwise reserve moneys for including green energy technology in constructing, reconstructing or performing major renovation on public building if contracting agency determines that including green energy technology is not appropriate.

HB 2958

Provides that limited license that rental company obtains to sell insurance in connection with renting vehicles also extends to rental company's employees and designated agents.

HB 2193 A

Directs electric companies, if authorized by Public Utility Commission, to procure one or more energy storage systems that have capacity to store specified amount of energy.

HB 3056 A

Specifies that crematorium may not be certified by State Mortuary and Cemetery Board if board determines that proposed crematorium presents danger to public health and safety as determined in consideration of standards for training and equipment used in practice of cremation that are based on national industry standards.

AGENDA (Cont.)
May 20, 2015

HB 2567 A

Allows direct purchase and sale of bulk distilled liquor between distillery licensees for blending and manufacturing purposes.
