Child Nutrition Programs

Presented by: Joyce Dougherty, PHD RDN CNP Director

Fueling Oregon's Future

CNP History

- On June 4, 1946, National School Lunch Act permanently authorized the National School Lunch Program (NSLP).
- …"many American men had been rejected for World War II military service because of diet-related health problems."
- Purpose was to provide a market for agricultural production and to improve the health and well-being of the nation's youth.

Child and Adult Care Food Program School Nutrition Program Summer Food Service Program Farm to School

USDA Foods

Benefits to Kids
