

The Psychiatric Security Review Board

Juliet Britton, J.D.
Executive Director

What Does PSRB Do?

- Supervise those adults and youth who assert the insanity defense to a charge in criminal court
 - Guilty Except for Insanity (GEI)
 - Responsible Except for Insanity (REI)
- Supervise those adults who have a mental illness resistant to treatment who need supervision and monitoring (2013 SB 421)
- Conduct Relief Hearings for those who request restoration of firearm privileges due to a civil commitment (2009 HB 2854)
- Currently implementing a sex offender designation/relief program (2013 HB 2549)

History

- When: created in 1977 by Legislature
- Why Then: Response to perceived problem
 - Courts lack expertise/staff to monitor & supervise
 - Hospitals were not necessarily making discharge decisions with public safety in mind
- Why Now:
 - Board Supervision can help ensure therapeutic services and stability for individuals who otherwise might re-offend and enter the Department of Corrections
 - Board given additional duties because of its expertise in mental illness, risk assessment and outstanding safety record

Board comprised of Adult Panel & Juvenile Panel:

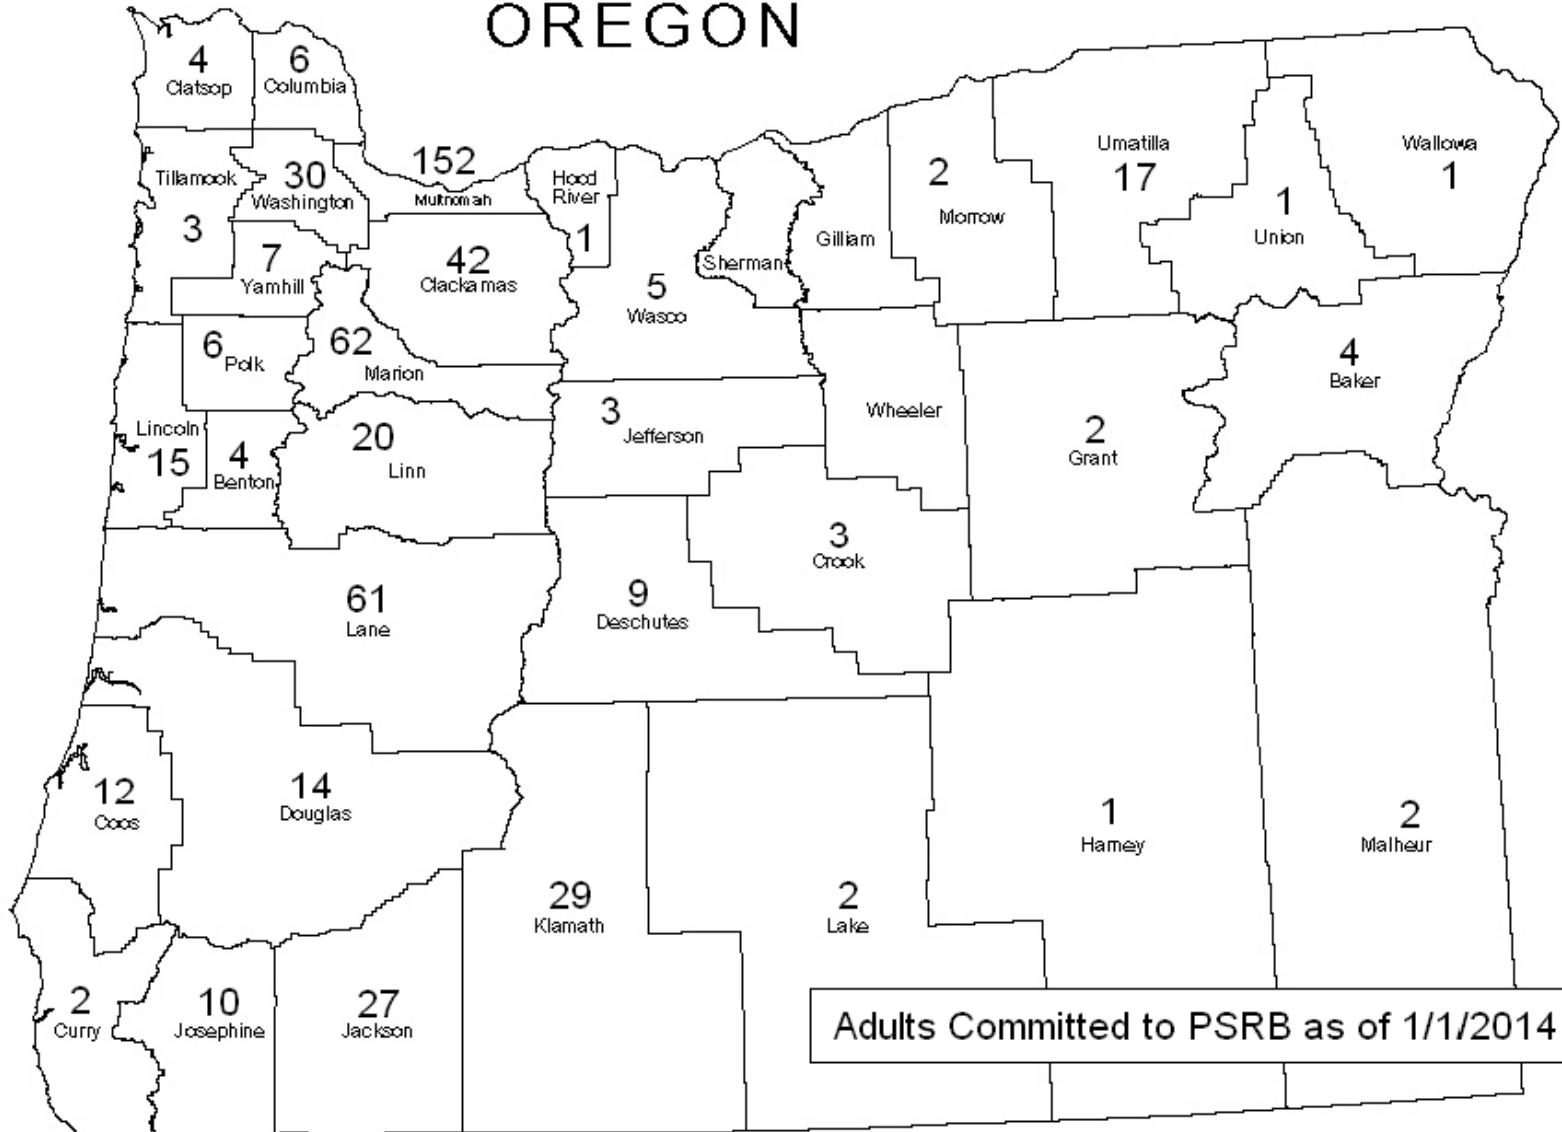

- 10 member part-time multi-disciplinary
 - 2 psychiatrists
 - 2 psychologists
 - 2 attorneys experienced in criminal practice
 - 2 parole/probation officers
 - 2 members of the general public (usually with a background in mental health)
- Virtually all Board Members maintain full-time employment
- Stipend per day is \$334
- Conduct hearings weekly - over 700 last year
- 11 FTE, \$2.4 million 2013-15 Budget
