Dear Senators,

I strongly object to any legislation that would limit or erode my rights under the Oregon Constitution to be free from unreasonable searches and seizures. SB 13, in conjunction with SJR 3, would do just that. I urge you to oppose those measures in committee and in every step of the process. This would effectively do away with my 4th amendment rights that the U.S. Constitution discusses. My rights are not granted by the state, but are inherent to me as a citizen.

Yours,

Patrick Akins
