ATTENTION: ██████████
██████████

I have attached your grant application, along with your account summary for your Amazon Product Ads. I have also attached the terms and condition agreement. Further documentation will be sent upon update.

Per your request I have gathered the following information in regards to your Amazon Product Ads account. Your current balance in your Product Ads account is \$ 19,338.15 US. Any and all deposits made will be refunded back to the responsible party no later than 5 to 7 Business Day(s) from date sent dependent upon verified US Tracking Number. The current security deposit required for the release of Form IS34 (Backlog Work Order Form) is as follows: \$ 3,000.00 US. Pending regulations state that such deposit will be refunded in complete within previously stated time restraints.

When entering into an agreement with Amazon Product Ads, the only contract responsible with any action relating to Amazon Product Ads are the following Terms and Conditions.

All publishers are reviewed for policy compliance when they submit their application. Also, we actively monitor sites in Amazon Product Ads to check for continued compliance with our policies. If we find sites that do not comply with our policies or Terms and Conditions, we will suspend or disable the accounts. In some cases, payment for clicks may be refused.

Regards,

Steps to Start Selling

- 1 Decide what you want to sell**
More than 20 product categories are open to all sellers, and at least 10 more are available only to Professional Sellers.
[Learn more about categories](#)
- 2 Choose a selling plan**
Sell just a few items and pay no monthly fee with the Individual plan or choose the Professional plan subscription for unlimited selling. The Professional selling plan is ideal if you plan to sell more than 40 items per month.

How Selling on Amazon Works

- List your products**
If a product is already available on Amazon, just add the quantity, condition, and price for your offer. Professional Sellers can add large batches of items using bulk listing tools.
- Customers can see your products on Amazon**
