SENATE BILL 192

Please consider passing this into law. I/we live in a small town that has already passed into law that ATVs are allowed to use city streets, but there is a state hwy going through the middle of it. We can not travel across town because of the state hwy. We urge you to please pass this into law.

Thank you, Doug Waters      po box 123      John Day, OR. 97845
