Subject: SB192

We live in rural Burns, Oregon and do farming and ranching. Our son also has a ranch and we help each other moving cows and with other ranching chores. By the time we can load and strap down our side-by-side Ranger and 4 wheelers we would be able to be at each others ranch.

We are very conscientious about meeting other vehicles on the road and are conscious about being safe for ourselves and others on the highway.

Sincerely,

Joe and Joy Langenfeld
