Subject: **Senate Bill 192 for Off Road Vehicle use on Highways**

Mr James LaBar:

I am in favor of **Senate Bill 192 for Off Road Vehicle use on Highways**. We are already paying road tax on the fuel we purchase for our atv's. The use of atv's in rural communities makes economic sense in less fuel burned. I live in Grant county and have ties in Harney county and can see many benefits to both rural counties. I would hope that the senate committee would look outside the city to the rural counties in Oregon and see the advantages that this bill would give the people in those counties.

Sincerely,
Pete Teague
