

SENATE BILL 25 AMENDMENT

Section 3.

(2) When the population of a county is less than 50,000, based on the most recent federal decennial census, and the population has *grown less than 6 percent* since the previous federal decennial census, the county, or a local government with 51 percent of its population within the county, may:

Note: Language in underlined and italics is the amended portion of the bill.
