SUMMARY

Pursuing position as an anesthetist for a care team setting that values collaborative, patient-focused care and continuing education.

EXPERIENCE

Anesthesiologist Assistant / Physician Assistant Anesthetist (AA-C), Anesthesia Associations of Macon, LLP, Macon, GA, March 2012-2015

Safely delivering anesthesia to patients for several surgical specialties including General, Cardiac, Thoracic, Orthopedics, OB/GYN, Pediatrics, GI, Urology, Vascular, Plastics, Ophthalmic, and Outpatient.

Medical Mission Anesthetist, Philippine American Medical Association of Georgia, Philippines 2013-2015

Provides anesthesia service to patients in a critical access region for thyroidectomies, clefts, and OB/GYN. Improvizes safe methods with limited anesthesia equipment, patient monitors, and medications.

Undergraduate Research Assistant, Georgia Institute of Technology, Parker H. Petit Biotechnology Building, Atlanta, GA 2006-2007

Researched implant biomaterials for in vivo therapeutic applications. Fabricated and conducted experimental protocols involving live cells and animal models. Administered anesthesia to in vivo models for surgical implant insertions in pilot studies. Developed basic lab skills, including assays, electrophoresis, PCR, etc.

Field Engineer Intern, Schlumberger Ltd., Midland, TX, Summer 2007

Developed strong work ethic from working in the strenuous environment of a land oil rig. Demonstrated ability to operate heavy machinery and active realtime software applications within the oil and gas industry.

Photo Editor, Georgia Tech Student Publications "The Technique," Atlanta, GA 2006-2009

Led a team of photographers to cover all of the events on Georgia Tech campus. Provided guidance to new photographers on effective photojournalism. Ensured that all photos are of optimum quality for the award-winning newspaper.

Owner/Photographer, Michael Schneider Photo, Macon, GA 2005-2015

Manages own business and serves variety of clientele for weddings, social events, portraits, sports, politics, business, photojournalism, etc. Work featured in various major publications.
