(2) Programs of disease prevention and control shall be established and maintained. Sick, diseased or injured greyhounds shall be provided with proper veterinary care.

(3) The commission veterinarian may order quarantine on any premises or housing facilities under the jurisdiction of the Oregon Racing Commission in which greyhounds show signs of infectious and/or contagious diseases, or which show symptoms of parasitism. Quarantine shall be removed when the commission veterinarian, after consultation with the board of judges, has determined that the disease conditions for which the greyhounds were quarantined are no longer evident, and the apparent health of the greyhounds indicates absence of contagion.
