

SB 267-1

Testimony of WaterWatch of Oregon Submitted to the Senate Committee on Environment and Natural Resources March 9, 2015

Founded in 1985, WaterWatch is a non-profit river conservation group dedicated to the protection and restoration of natural flows in Oregon's rivers. We work to ensure that enough water is protected in Oregon's rivers to sustain fish, wildlife, recreation and other public uses of Oregon's rivers, lakes and streams. We also work for balanced water laws and policies. WaterWatch has members across Oregon who care deeply about our rivers, their inhabitants and the effects of water laws and policies on these resources.

WaterWatch of Oregon is neutral on SB 267, with the -1 amendments

WaterWatch of Oregon worked with the Oregon Water Resources Department and the Oregon Water Resources Congress on the -1 amendments. With amendments we are neutral on the bill.
