Hi, my name is Naomi Even. I'm in kindergarten at Sunnyside Environmental School. My name is Oabiloe Kelly and I'm a 2nd grader at Sunnyside Environmental School. And my name is Lucy Scott and I am a 1st grader at Sunnyside Environmental School.

~ Naomi - If you took all the polystyrene lunch trays that we know of, that are used in Oregon schools in *just* 1 year and laid them out, end to end, (Oabiloe holds up poster to demonstrate) it would be almost as long as the whole Willamette River. And that's only hearing back from a fraction of the schools in Oregon.

~ Lucy- That's 2,649,570 of me!!

Thank you.
