EFFECT OF COMMITTEE AMENDMENT:

BACKGROUND: The Oregon Cultural Trust is governed by a 13 member board of directors, comprised of citizens who are committed to the cultural development of Oregon. The 11 citizens appointed by the Governor serve as voting members of the board. The Speaker of the House of Representatives and the President of the Senate each appoint a member of the Legislative Assembly as non-voting advisory members. The Cultural Trust also has two non-voting special advisers.

The Oregon Cultural Trust's mission is to lead in building an environment where cultural organizations are sustained and valued as a core part of Oregon's vibrant communities and economy. For 10 years, the Cultural Trust has played a vital role in building Oregon communities. Simultaneously, the Trust is building a permanent fund, now almost \$25 million, so that future generations can experience Oregon culture. Through grant programs and encouraging philanthropy, the Cultural Trust helps fuel our economy, supporting cultural nonprofits that inspire our children, preserve our cultural treasures and foster Oregon's reputation as an incubator for new ideas. The Cultural Trust provides extensive support to rural areas and hard-to-reach places with the help of more than 400 cultural coalition volunteers.
