

Good morning and thank you in advance for your time. I am writing regarding the budget for Sherwood schools. I am a parent of 4 Sherwood students.

I am writing to express my concerns with the current budget proposal. The budget is simply too low and it is vital and extremely important that Sherwood students continue to receive quality education. The Oregon legislature needs to support a minimum \$7.5B state wide school budget. The current budget proposal would mean cuts to our district. I beg you to please reconsider.

I hope my email isn't too late and you will consider it before making a final decision. Thank you again for your time and consideration.
