WHAT IS SAVE TO WIN?

It's a special savings account at your credit union that helps you build your savings while also giving you chances to win a \$5,000 annual prize, plus monthly and quarterly cash prizes! In total, we will award \$25,000 in cash prizes! Each \$25 deposit helps you build your savings and gets you another chance to win — up to 10 chances every month. Plus, all the money you deposit into the Save to Win account is still yours, plus interest. It's a win-win situation.

HOW DO I OPEN AN ACCOUNT?

Simply request a 12-month Save to Win share certificate and make an opening deposit of \$25. Your initial deposit is your first step to saving and your first entry into that month's cash drawing. As you continue to make additional deposits into the account, you will accumulate more entries towards the monthly, quarterly and annual prize drawings. The Save to Win account must be open at the time of the drawings, and you must be at least 18 years of age and a resident of Washington to win.

HOW CAN I EARN CHANCES TO WIN?

Every \$25 deposited into your account, up to \$250 per month, is another chance to win. You may make unlimited deposits of any amount into the account each month, but prize entries are limited to 10 per month.

WHAT ARE THE PRIZES?

The real prize is the savings account you will build with regular deposits each month. But to sweeten the pot, there is an annual prize of \$5,000 to be awarded next April. The winner will be notified by phone and mail. The annual prize will be deposited into the winner's traditional share account. Plus, \$20,000 in monthly and quarterly cash prizes will be awarded throughout the year. All Save to Win account holders at participating credit unions will be eligible for monthly and quarterly prizes. See official rules for account requirements and eligibility for the annual prize.

WHAT IS A CERTIFICATE?

A certificate is a certificate of deposit issued by a credit union. You will earn a specified dividend if the certificate is held for the full term; in the case of Save to Win, the term is 12 months.

WHAT'S THE DIVIDEND RATE?

Please ask a Member Service Representative for the dividend on the Save to Win Certificate.

CAN I WITHDRAW MONEY FROM MY CERTIFICATE?

Yes, you are allowed to take one withdrawal from your Save to Win account in the 12-month period. A \$25 withdrawal fee will apply.

HOW ARE MY PRIZE ENTRIES CALCULATED?

Each month, we'll look at your current savings balance as compared to the previous month's balance. You'll receive one entry for every \$25 increase. For example, if your Save to Win balance increases by \$50, you will receive two prize entries for the month. Those prize entries will also be added to the quarterly prize drawing, giving you additional chances to take home those prizes!

WHY SHOULD I OPEN A SAVE TO WIN ACCOUNT?

Because it's a win-win situation! Not everyone will win prizes, but with regular deposits into your Save to Win account all year, you are guaranteed to have more money saved than when you started.
