

Dear Representatives,

In the matter of HB 2655 and amendments:

Please vote yes on 3 and no on 4.

Please support HB2655 and vote yes on amendment 3 and no on amendment 4. As a parent of two PPS students I do not want to see my parental rights eroded. It is vital that I understand my parental right to opt-out of standardized testing and be provided with with factual and balanced information about high-stakes tests.

Thank You,
