E arly L earning H ub, Inc.

GOALS

Children are ready for Kindergarten

Families are stable and attached

Services are coordinated and aligned

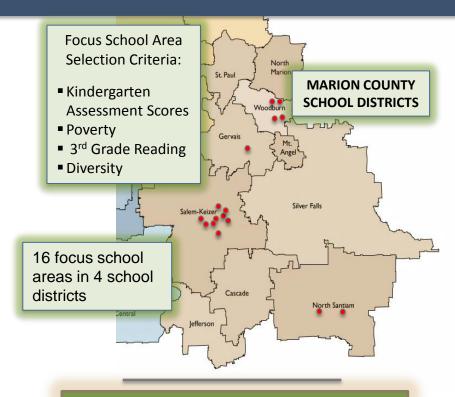

BUILDING A FOUNDATION FOR GRADUATION

- 3rd grade reading proficiency is the most important predictor of high school graduation.
- 42% of Marion County children are NOT reading proficiently by end of 3rd grade.

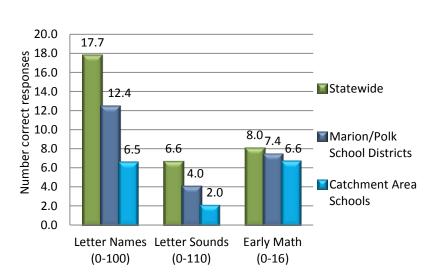

The Early Learning Hub is a cross-sector collaboration to leverage resources and meet needs of children and families.

49% of Marion County children entering kindergarten are multicultural; approximately 35.7% are English Language Learners.

Differences In Kinder-Entry Early Skills (fall 2014)

Braiding public and private funding to maximize results
