House Higher Education, Innovation and Workforce Development
Committee
c/o Victoria Cox – Committee Administrator

Chair Tobias Read, Vice Chair Joe Gallegos and members of the
Committee – SEIU Local 503 represents 4500 classified support
workers at the seven University Campuses and 55,000 members
statewide who know that Higher Education and student success is
an integral for all Oregonian families.

We want to enthusiastically support HB 3308 - which looks to
analyze underrepresented communities in higher education and
directs the Higher Education Coordinating Commission to convene
work group to make recommendations on how to address
disparities in higher education among traditionally marginalized,
underserved and underrepresented communities.

Let us add that if we can be of any help on this effort - be sure to
let us know.

Sincerely,

Len Norwitz, Political Organizer
